**WHEREAS**, a large gathering of unidentifiable individuals without necessary mitigation for the spread of infection may pose a risk of the spread of infectious disease; and

**WHEREAS**, pursuant to the Texas Disaster Act of 1975, the mayor is designated as the emergency management director of the City of Poth, and may exercise the powers granted to the governor on an appropriate local scale; and

**WHEREAS**, a declaration of local disaster and public health emergency includes the ability to reduce the possibility of exposure to disease, control the risk, promote health, compel persons to undergo additional health measures that prevent or control the spread of disease, including isolation, surveillance, quarantine, or placement of persons under public health observation, including the provision of temporary housing or emergency shelters for persons misplaced or evacuated and request assistance from the governor of state resources; and

**WHEREAS**, the COVID-19 virus spreads between people who are in close contact with one another through respiratory droplets produced when an infected person coughs or sneezes; and

**WHEREAS**, I, Chrystal Eckel, the Mayor of the City of Poth have determined that extraordinary and immediate measures must be taken to respond quickly, prevent and alleviate the suffering of people exposed to and those infected with the virus, as well as those that could potentially be infected or impacted by COVID-19;
